01 Premix System / Tennis

100% Consistency

In-house premix includes sand and colorants.
Every drum is identical.
 Zero batch-to-batch variation, zero color mismatch across courts.

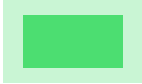

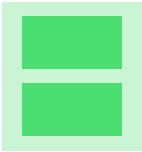

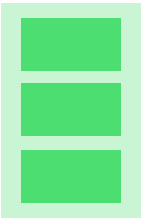

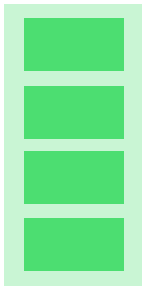

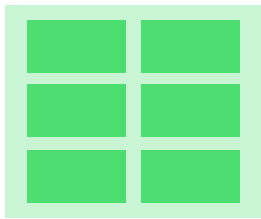

Reduce Labor cost

No on-site measuring, mixing, or weighing of additives.
 Optimize human resources.
 Open drum, add water, apply — **that simple.**

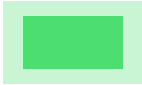

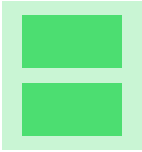

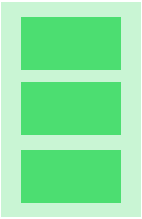

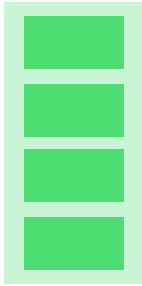

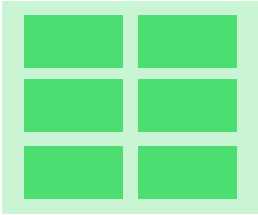

Eliminate error margin

Relax and ensure customer satisfaction reducing human mixing errors.
Perfect ratio every time.
